PERMIT SUBMITTAL INFORMATION

- ★ All applications, including revisions, must be submitted to the Department of Building & Health Services.
- ★ An additional permit fee will be due at time of pick up.
- ★ Allow 15 working days for review time.

PERMIT REVISION INFORMATION

- ★ If there is a rejection by any reviewing department, a correction report will be mailed/faxed to the permit applicant after the plan has been reviewed by all reviewing departments.
- ★ Revisions may take an additional 15 working days to process.
- ★ If the plumber or electrician on the project is changed, a new permit application is required with a copy of the new plumber/electrician's license. A letter from the general contractor documenting the change to the new plumber/electrician is also required.
- ★ If the general contractor and/or any subcontractors change, a letter from the permit applicant documenting the replacement general contractor and/or any subcontractors is required. The Village of Arlington Heights requires that contractors working within the Village obtain a contractor's license and/or present proof of registration to work in the Village in accordance with the Arlington Heights Municipal Code.
- ★ If the permit drawings are revised, a cover letter with the architect's signature and seal describing the change(s) is required, as well as three new sets of architecturally annotated drawings. If the revisions involve changes to electrical and/or plumbing, new electrical and/or plumbing permit applications are also required.
