

# Arlington Heights Free Rain Barrel Program

The Village of Arlington Heights, in conjunction with the Metropolitan Water Reclamation District of Greater Chicago, is pleased to offer free rain barrels to the residents of Arlington Heights. In order to qualify for a free rain barrel(s), you must be a resident of Arlington Heights and the rain barrel must be for use in Arlington Heights.

When the rain barrels are delivered, each barrel will include installation instructions and a spigot, screws, overflow hose and clamp. Rain barrels are not to be installed in the front of the home. In addition, rain barrels cannot be stacked one on top of another.

Arlington Heights Public Works Department will place orders for rain barrels every two weeks. Please note that it can take 4-10 weeks for delivery of the 55-gallon rain barrels, depending on availability. Dimensions of the barrel are: Height 36 inches, Width 24 inches.

Please fully complete this application form, as well as sign the Waiver, Release and Indemnification form included with this application. Once your information is complete, please return the form and the signed Waiver form to:
