Congratulations

Your business is located in a community that understands,

When Local Businesses Thrive The Entire Community Benefits

And that's why the Village of Arlington Heights, along with the Arlington Economic Alliance, has created a program that will allow your business to reach the local residents through the Village's local Government Access Cable Channel.
(WOW ch. 6, Comcast ch. 17 & ATT U-verse)

The airtime will be **FREE** for the first **90 Days!**

As part of the "Keep It Local, Business Showcase" videos ranging in length from 30 to 120 seconds will be produced for participating Arlington Heights businesses and will be broadcast on the Government Access Channel approximately 6 times a day for 90 days!

In addition, your video will be on YouTube and linked to the Village's DiscoverArlington.com website.

Also, the village has arranged for special pricing for the production of local business highlight videos from locally owned and operated video production company Lorelle Communications.

Pricing for highlight videos start as low as $200!
