

The Napleton Group

Napleton Chrysler, Jeep, Dodge Dealership relocated to 1155 West Dundee May 2013. The facility that houses the dealership originally consisted of over 150,000 square feet of office space which was approximately 59% vacant. With the cooperation of the Village of Arlington Heights the property was rezoned, permitted and constructed in 8 months. Today this property consists of a 50,000 square foot new and used car showroom and service area. In addition 75,000 square feet of office space has been upgraded and is home to such tenants as Alexian Brothers and VTech USA.

Napleton is a family owned group of dealerships which currently operate 25 Franchise dealerships in 23 locations. Many are located in the Chicago land area, but our locations include West Palm Beach, Tallahassee, and Orlando in Florida, St Louis Missouri, Pittsburgh, PA and one location under construction in Georgia. The Napleton family has been operating automobile dealerships since 1931. During this time we have won many of the top awards for service and sales which the manufacturers present to their top performing dealerships. Our Franchises include Honda, Hyundai, Kia, Nissan, Porsche, Acura, Infiniti, and Chrysler-Jeep-Dodge. We currently operate five Chrysler-Jeep-Dodge franchises including the one located in Arlington Heights.

We appreciate all of the help and cooperation we receive from Arlington Heights.

Very truly yours,
