

TRAINING • CONNECTING • DEVELOPING ILLINOIS' WORKFORCE

Illinois workNet Northern Cook County

What is Illinois workNet?

Illinois workNet is the most comprehensive employment, business services and support resource in Northern Cook County. Our professionals offer businesses of any size highly efficient and effective recruitment, hiring and training expertise and assistance. We're also your entry point to an extensive network of public and private support programs that can help you address almost any business challenge. And because we are part of the statewide Illinois workNet initiative, we are funded in large part by tax dollars. That means we can offer most of our services at little or no cost to you. We have offices in Arlington Heights, Evanston and Elgin.

In addition to the services and programs provided by Illinois workNet of Northern Cook County professionals, we can also connect you with a wide range of additional business services and support resources.

Get Connected to the Workforce You Need

Illinois workNet helps employers streamline the hiring process by providing instant access to a pool of potential employees. Additionally, Illinois workNet will connect employers with job skills training and continuing education programs to strengthen their existing workforce. Illinois workNet offers leading-edge business services and workforce solutions for recruitment, training, networking, market analysis and more ...in most cases at no cost.

How to Start Working with Illinois workNet?

Call our Business Services Manager to find out more about how your company can benefit from the services and support resources offered by Illinois workNet Northern Cook County. A representative of our team will be glad to explain our programs and work with you to tap into our advanced workforce solutions that can help your business save time, effort and money.
