

Peggy Kinnane's Irish Restaurant

In 2000 we opened Peggy Kinnane's Irish Restaurant & Pub in the newly revamped and rebuilt downtown area of Arlington Heights.

Since then I'm proud of what we've accomplished at Peggy's, our business has thrived in what the downtown area of Arlington Heights has become – a charming, vibrant hub in the Northwest Suburbs, steps away from Metra, full of appealing architecture, retail and dining as well as the wonderful Metropolis Performing Arts Center.

I'm very happy we chose downtown Arlington Heights for Peggy Kinnane's and am proud to be one of the cornerstone businesses in what I feel is the most friendly, active and beautiful downtown in the Northwest Suburbs.
